We have worked very hard to bring our ideas, items, cash and free time together to make something fun for everyone. We hope to succeed in improving our race facility to be the premier track in Iowa and eventually a top facility nationally. We need your help to maintain this track because the expenses are huge compared to the revenues. We cannot charge \$50 a head and pay out to complete track services, so we charge \$10 and appreciate your donated help, experience and ideas to keep running. To make a DONATION or inquire about a **TRACK SPONSORSHIP**, Call, **VICTORY LANE R/C HOBBIES at (563) 441-7701**. Sponsors receive one 24" x 48" **full color banner** advertising to a captive spendworthy audience. It is very inexpensive and is cost effective.
